Once upon a time, there was a tavern   *Es war einmal...*
Where we used to raise a glass or two   *heben*
Remember how we laughed away the hours,
Think of all the great things we would do

Those were the days, my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we'd choose
We'd fight and never lose
For we were young and sure to have our way

Just tonight, I stood before the tavern
Nothing seemed the way it used to be   *wie es früher war*
In the glass, I saw a strange reflection   *fremdartig*
Was that lonely woman really me?

Those were the days, my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we'd choose
We'd fight and never lose
Those were the days, oh yes, those were the days

Then, the busy years went rushing by us
We lost our starry notions on the way   *Träumereien*
If, by chance, I'd see you in the tavern,
We'd smile at one another and we'd say

Those were the days, my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we'd choose
We'd fight and never lose
Those were the days, oh yes, those were the days

Through the door, there came familiar laughter
I saw your face and heard you call my name
Oh, my friend, we're older but no wiser
For in our hearts, the dreams are still the same

Those were the days, my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we'd choose
We'd fight and never lose
Those were the days, oh yes, those were the days
