### Verbinde mit Linien:

<b>Nothing ventured nothing gained.</b>	Don't question good luck.
<b>One man's meat is another man's poison.</b>	You have to try or you won't get anything.
<b>The other man's grass is always greener.</b>	There's always something good in bad times.
<b>Don't look a gift horse in the mouth.</b>	People often don't like the same things.
<b>Every cloud has a silver lining.</b>	Don't be too sad after a small accident.
<b>It's no use crying over spilt milk.</b>	You always think that other people's lives are better than yours.
<b>Out of the frying pan, into the fire.</b>	You can give a person a chance, but you can't make him or her take it.
<b>Fools rush in where angels fear to tread.</b>	Act early and you can save a lot of trouble.
<b>You can lead a horse to water but you cannot make it drink.</b>	Stupid people do things that other people never do.
<b>A stitch in time saves nine.</b>	From one problem into another.
<b>Where there's a will there's a way.</b>	A friend who helps when one is in trouble is a real friend.
<b>A friend in need is a friend indeed.</b>	The best way to learn a job is to do it.
<b>Great talkers are little doers.</b>	When a person really wants to do something, he will find a way of doing it.
<b>All that glitters is not gold.</b>	Be optimistic
<b>Look at the bright side.</b>	Do not be deceived (getäuscht) by things or offers that appear to be attractive.
<b>Experience is the best teacher.</b>	Those people who talk a lot and are always teaching others usually do not do much work.
<b>No news is good news.</b>	Seize (ergreife) a good opportunity as quickly as possible.
<b>Fire is a good servant but a bad master.</b>	If a person has been tricked once he will more be careful and alert (wachsam) the next time.
<b>Strike while the iron is hot.</b>	It is better to be careful beforehand than to try to solve a problem after it has arisen.
<b>Prevention is better than cure.</b>	When there is no news, it is likely that everything is all right.
<b>Once bitten twice shy.</b>	Manmade tool or device (Gerät) will serve man well only when it is controlled and used wisely.
