

It's a quarter past two.
Hugo is waiting at the bus stop.
The weather is nice and he feels good.
He is going to see his friends.
The bus will arrive soon.
There are some other people waiting for the bus, too.
At twenty past two the bus comes.
The doors open.
Hugo is always kind to other people.
He lets them get on the bus first.
Suddenly the doors shut.
Hugo is still outside the bus.
Now he is shouting.
But the driver doesn't hear him.
The bus is leaving.
Hugo isn't on the bus.
He must wait for the next bus.
He feels sad.
