Goodbye to you my trusted
 We've known each since we were nine or ten
 Together we climbed and
 Learned of love and A B C's
 Skinned our and skinned our
 Goodbye my friend it's to die
 When all the birds are singing in the
 Now that the is in the air
 girls are everywhere
 Think of me and I'll be
 We had joy we had
 We had seasons in the sun
 But the hills that we climbed were seasons
 Out of time.
 Goodbye Papa please for me
 I was the black of the family
 You tried to me right from wrong
 Too much and too much
 Wonder how I got
 Goodbye Papa its hard to die
 When all the are singing in the sky
 Now that the spring is in the
 children everywhere
 When you see them I'll there.
 We had we had fun
 We had seasons in the sun
 But the wine and the song the seasons
 Have all gone.
 We had we had fun
 We had seasons in the sun
 But the wine and the song like the seasons

Have all gone.
 Goodbye Michelle my little
 You gave me love and me find the sun
 And every time that I was
 You would always come
 And get my back on the ground.
 Goodbye Michelle it's hard to die
 When all the birds singing in the sky
 that the spring is in the air
 With the everywhere
 I that we could both be there
 had joy we had fun
 We had in the sun
 But the stars we reach
 Were just starfish on the
 We joy we had fun
 We had seasons in the
 But the we could reach
 Were starfish on the beach
 We had we had fun
 We had in the sun
 But the wine and the song the seasons
 all gone
 All our we had fun
 We had seasons in the sun
 But the that we climbed were just
 seasons
 Out of time.....
 We had joy we had fun
 We had seasons in the sun
