

Imagine you have a drink and you have to answer your buddy's questions. His questions are not about the death penalty or the war in Afghanistan, rather about the less important issues of our time: television, junk food, energy drinks, body piercing etc.

Who would win in a fight? A bear or a lion? ... *The bear is going to kill the lion. It's three times stronger than the lion. The lion won't be able to get near it. - First of all, the lion's the king of the jungle. Second of all, the lion will pounce on the bear and that's the end of the bear. - It depends on the environment. If they're in the woods, the bear's going to win. If they're in the jungle? Then the lion is going to get the bear...*
